... What is it ?

You weren't answering your cell.

Why are you skipping classes? Even Cha Jin-Suk doesn't seem to know.

The professor has been bugging the hell out of us..

I haven't been feeling well, so ...

I will tell her so.

But you need to come back next week.

Um..

You are Na-Young's roommate, right?

Yes, why do you ask ?

Is Cha Jin-Sul staying there?

Nope.

...?

I don't have an umbrella...

I will be soaking wet if I run to the council building.

But it's not like I have someone to call ...

If I call Hye-Ri, would she bring it to me ?

It's getting chilly. I will just have to run.

!!..

You should have called me.

Well, the umbrella didn't help much.

Sorry, because we shared it ...

It's raining hard out there...

Yeah... ?

Phew...

I wonder if I have a towel in here...

!! Young

Only if you were a little more resourceful ...

If so, then ...
